local government, community agencies, medical research, museums, education, legal and communication areas, departmental honors awarded at graduation. **Programs for students from minorities or low-income families:** Special counselor, tutoring, reduced course load. **Tests used for counseling, placement, or credit:** Placement, credit, or both will generally be given for grades of 3 and higher in Advanced Placement Examinations, Modern language Association Tests for placement purposes. **Academic regulations:** No grade-point averages are used. Freshmen are expected to perform at a satisfactory level in all courses. Any unsatisfactory grades may result in academic action. 98% of freshmen in 1970–1971 were permitted to continue; 95% of freshmen completed year (1970–1971) in good academic standing (not on probation or warning or dismissed). **Additional information:** Chatham College acknowledges that all individuals do not have the same educational goals, nor wish to learn in the same manner, and offers, therefore, to each student the opportunity to realize her own academic potential, by enabling her to choose, with the aid of a *strong faculty* advising program, that curricular program which is best suited for her. There are no specific course requirements or area distribution requirements for a degree. A student may elect not to major in any way, or she may choose a departmental major, an interdepartmental major, or a problem or multidisciplinary major. In the senior year her study becomes focused in a tutorial project. Tutorials may take the form of written reports, visual presentations, concerts, or play productions. Specially designed interim courses are offered on campus, off-campus, and abroad. Students have option of taking all Chatham courses on a pass-fail basis, a graded basis, or combination.

ADMISSIONS. **Applications in 1971:** 501 women applied, 387 were accepted. **Admissions requirements:** A student may submit any test scores she believes to be of interest, but she is not required to do so prior to acceptance. After acceptance, SAT scores must be submitted. High school English 4 units, social studies 3, foreign language 2, mathematics 2, science 1, electives 4 (including art, drama, music, or additional English, language, mathematics). Mature and able students who will have completed all except one year in high school, have valid reasons for wishing to accelerate, and have the support of parents and school, will be considered for early admission. Interview recommended. **Basis for selection:** Candidates who represent diverse geographic, social, racial, cultural, and religious background and who show strongest evidence of high academic motivation, enthusiasm for learning, and capacity for developing increasing responsibility for their own education and lives are selected. Evaluation of these qualities is made on the basis of the candidate's high school record, recommendations, interview, and other pertinent information made available by the candidate or the school. 55% of current freshmen ranked in top fifth of their high school, 90% of current freshmen ranked in top half of their high school class. **Application fee:** $20, may be waived for applicants with financial need. **Application procedures:** Closing date for applications March 1, applicants notified of decisions by April 1, accepted applicants must reply by May 1. CRDA. EDP-F. **Transfer applicants:** About 70 apply annually, and 50 are accepted. Apply by April 1 for fall term to be assured dormitory space. Submit transcripts from college and high school, recommendations from 2 professors and dean of students; personal interview recommended. Students from accredited colleges with above average achievement in college may be admitted to advanced standing without examination. Liberal arts courses in which the final grades are C or higher are transferable. Since Chatham has no specific course requirements for graduation, articulation is relatively straightforward. **Additional information:** The requirement of entrance examinations for admission purposes was suspended at Chatham beginning in 1971. This is the student's guarantee that all of her other special talents and records, including her recommendations and her own statement on her application, will be received with closest attention.

STUDENT LIFE. **Freshman class:** 197 women. 55% from Pennsylvania, 85% live on campus, 15% commute, 7% from minority backgrounds. **Programs undergraduates choose:** liberal arts 100%, education 20% (combined with a liberal arts major or emphasis). **Postgraduate studies:** 60% of graduates enter graduate or professional programs. **Student activities:** Student government, National Student Association, day student organization, social board, judicial board, house board, weekly student newspaper, literary magazine, yearbook, film society, religious organizations (all centered off-campus), drama, dance, instrumental ensemble, choir, Young Democrats, Young Republicans, Black Student Union, social service organizations (volunteer activities coordinated by National Student Association chapter), honor societies (Mortar Board, Phi Beta Kappa, American Chemical Society). **Athletics:** Archery, basketball, bowling, fencing, field hockey, gymnastics, skiing, softball, swimming and diving, tennis, volleyball. **Student services:** Counseling, health services, student employment service for undergraduates, placement service for graduates and alumni, Pittsburgh-Chatham Coordinator (to tie in ways to relate courses and independent study to the city and to help solve urban problems; this program also enriches the career counseling program), study abroad counseling. **Regulations:** Second term junior and senior resident students and all commuting students are permitted cars on campus. Juniors and seniors may live off campus, if under 21, parents' permission required. No compulsory programs. Visiting hours, within limits established by the Student House Board and the college, are determined by each residence hall section. **Additional information:** Every student upon admission to Chatham accepts the Honor Code which is a vital part of each student's daily academic life. The code reflects acknowledgment of a student's obligations not only to herself, but to her fellow classmates, the college, and the broader society. Students serve as voting members on almost all major planning and policy committees.

ANNUAL EXPENSES. **Tuition and fees:** $2,410. **Room and board:** $1,325. **Other expenses:** $500.

FINANCIAL AID. **Aid offered:** Grants, loans, jobs, NDSL, EOG, CWSP. 119 accepted freshman applicants were judged to have need, all of these were offered aid, and in the full amounts they were estimated to need. **Basis for selection:** Financial need, academic achievement, and contribution to the community. Awards are generally packaged in the combined form of grant, loan, and work, and they range from $100 to $4,000 per year, depending upon need. Middle 50% of applicants offered financial aid ranked in top fifth of their class. **Application procedures:** Closing date for applications March 1, applicants notified of decisions by April 1, recipients of aid offers must reply by May 1. For Early Decision, first phase, these dates are November 1, December 1, and February 15; second phase, January 2, February 1, and February 15. PCS required. **Transfer students:** Transfers who have completed a two-year liberal arts transfer program at a junior or community college are eligible for financial aid as described for freshmen. Other transfers are eligible for financial aid in the form of loan and work only; after one year, all students are eligible for grants as well as work and loan awards. **Additional information:** Approximately 50% of the student body works 6 to 9 hours each week, on or off campus, to help finance their education.

Four-year private liberal arts college for men and women, affiliated with the American Baptist Church. **Undergraduates:** 279 men, 313 women. **Calendar:** Semester, 2 summer sessions. **Location:** Suburban community 15 miles from downtown Philadelphia. **Special features:** As a Christian college, Eastern is deeply committed to the Christian understanding of life, taking as its authority the person and teachings of Jesus. As a consequence, Eastern looks for students who want to live and study within this framework. It further aims to develop in its students a responsible citizenship which is sensitive to the needs of society and which works meaningfully and constructively toward the resolution of problems in our country. The college offers an environment in which potentialities of individual students have a good chance of being realized. Certain obligations and limitations are accepted by the college community in order that time and strength may be focused on points of greatest importance, in order that life may be purposeful and rewarding rather than diffuse and unrestrained. We abide by public law; we treat our guests as guests; and we try to treat each other as members of one family.

Credit will generally be given on basis of CLEP Subject Examinations. **Academic regulations:** Sophomores must attain 1.65 grade-point average. **Additional information:** United Nations semester at Drew University; Washington semester at American University; freshman year program with a freshman seminar.

ADMISSIONS. **Applications in 1971:** 743 men applied, 455 were accepted; 465 women applied, 383 were accepted. **Admissions requirements:** SAT by March, senior year. High school English 4 units, social studies 2, mathematics 2, science 2, any 6 academic units, including foreign language. Interview strongly recommended. **Basis for selection:** High school grades are the main criteria. Also considered are SAT scores, interview, recommendations, and activities. Most of our students have graduated in the top half of their high school class. Middle 50% of applicants accepted for admission had SAT-verbal scores between 500 and 600 and SAT-mathematical scores between 500 and 600. **Application fee:** $10. **Application procedures:** Closing date for applications March 1, applicants notified of decisions on a rolling admissions basis, accepted applicants must reply by May 1 (senior year). **Transfer applicants:** About 30 apply annually, and 25 are accepted. Apply by March 1 for fall term. The college does not admit freshmen after the fall term. Transfer students must submit number and content of courses at previous institution, academic standing prior to transfer, and reasons for transfer. Students with an Associate of Arts or Associate of Science degree in a recognized collegiate transfer program, if meeting other criteria, may enter with junior class standing.

STUDENT LIFE. **Freshman class:** 216 men, 175 women. 70% from Pennsylvania, 100% live on campus, 2% commute, 1% from minority backgrounds. Middle 50% of enrolled freshmen have SAT-verbal scores between 500 and 600 and SAT-mathematical scores between 500 and 600. Most freshmen have graduated in top half of class. Over 70% men and 80% women graduated in top 40%. **Programs undergraduates choose:** Liberal arts. **Postgraduate studies:** 54% of graduates enter graduate or professional programs. 34% go directly to graduate school after graduating. **Student activities:** Student government, student newspaper, magazine, yearbook, radio, handbook, religious organizations (Juniata Inter-varsity Christian Fellowship), drama, musical theater, dance band, pep band, ensembles, choir, black students association. **Athletics:** Baseball-M, basketball, cross-country-M, field hockey-W, football, handball, soccer-M, softball, tennis, track and field-M, wrestling-M, volleyball. **Student services:** Counseling, health services, student employment service for undergraduates, placement service for graduates and alumni, student tutoring. **Regulations:** Anyone may have a vehicle on campus (exceptions concerning financial aid recipients); freshmen must live on campus; over 90% of students live on campus; no compulsory chapel attendance. **Additional information:** Raft race on Juniata River; mountain day; car rallies.

ANNUAL EXPENSES. **Comprehensive fee:** $3,380. **Other expenses:** $400.

FINANCIAL AID. **Aid offered:** Grants, loans, jobs. NDSL, EOG, CWSP. 480 accepted freshman applicants were judged to have need, 250 of these were offered aid, 100 of these were offered the full amounts they were estimated to need. Those who weren't offered aid did not follow up on application procedures. **Basis for selection:** Need, class rank, and test scores are all taken into account on a somewhat equal basis. Class rank and need are determinant of the amount of gift aid that will be extended to a student. However, they are not a major factor in meeting overall need. Also, the college has EOG funds and specially designated college funds for disadvantaged

students. **Application procedures:** Closing date for applications March 1, applicants notified of decisions as soon as PCS received and admission requirements completed, recipients of aid offers must reply by May 1. PCS required. **Transfer students:** Procedures are the same as for entering freshmen. Upon receipt of PCS, the student is considered for college grants, EOG, and NDSL awards. **Additional information:** All Pennsylvania residents should consider the assistance programs of the Pennsylvania Higher Education Assistance Agency. Apply by July 1 for fall term. A ruling of the American Association of Colleges of Pharmacy requires a minimum of 3 years of resident study in a college of pharmacy for a degree in pharmacy regardless of the nature or extent of the previous academic training. This means that students who have attended a college of liberal arts and sciences, notwithstanding credit previously earned, must spend 3 years in a college of pharmacy to receive a bachelor's degree in pharmacy. Such students, however, will receive credit in those basic science and general education subjects that compare favorably in semester-hour credit with courses included in the pharmacy curriculum at this college, and in which they have obtained a grade of C or better. The sequence of professional courses is such, however, that they cannot be arranged in less than 3 academic years. The 3-year minimum resident requirement does not apply to the other curriculums.

St. Vincent College, Latrobe, Pennsylvania

Four-year Roman Catholic liberal arts college for men. **Undergraduates:** 986 men. **Calendar:** Semester, summer session. **Location:** Small town 35 miles from Pittsburgh. **Special features:** An academic exchange program has been initiated between St. Vincent and Seton Hill, a neighboring women's college in Greensburg. Students may have many of the advantages of a university education on 2 closely related college campuses. This exchange program has been designed to give the students of each institution every opportunity to advance academically, at moderate costs, within the common perspective of these 2 Catholic colleges. Transportation is provided.

CURRICULUM. **Undergraduate degrees offered:** Bachelor. **Fields of study:** Art (art history, commercial art, design, graphic arts, studio art), biological sciences (bacteriology, biology, ecology), business

and commerce (accounting, business management and administration), education (art, elementary, music, secondary), English and literature (English, speech), foreign languages (Classical languages, French, Spanish), history and cultures (American, ancient), home economics (food and nutrition), mathematics, music (instrumental music, music history, voice), philosophy and religion (philosophy, religion, theology), physical sciences (chemistry, physics), psychology (child, general), social sciences (anthropology, economics, political science, sociology), theater arts (drama). **Special programs:** Honors program, independent study, 3-2 liberal arts and engineering combination. **Programs for students from minorities or low-income families:** Special counselor, tutoring, reduced course load. **Required freshman courses:** English composition, history or social studies, psychology, science. **Tests used for counseling, placement, or credit:** Placement, credit, or both will generally be given for grades of 3 and higher in Advanced Placement Examinations. **Academic regulations:** A grade-point average of 2.0 is required for freshmen to continue in good standing. 93% of freshmen complete the year in good standing. **Additional information:** Most courses are taught in classes of fewer than 25 students. 22 majors with options of independent study, tutorials, and seminars. Program especially designed for medicine, law, continuing education, and other professional training. An integrated program allows flexibility and independence in thinking with peers and faculty members.

ADMISSIONS. **Applications in 1971:** 645 men applied, 516 were accepted. **Admissions requirements:** SAT by January of senior year. High school English 4 units, social studies 2, foreign language 2, mathematics 2, science 1, academic electives 4. Engineering candidates are strongly encouraged to take plane geometry, trigonometry, intermediate algebra, and physics. An applicant can be accepted without a foreign language but must take one in college. Applicants who do not meet the unit requirements will be considered and necessary adjustments may be arranged where necessary. Interview recommended. **Basis for selection:** The admissions committee considers the applicant's high school record, weighing grade average, rank-in-class (top half), ability, principal's or counselor's recommendation, and then SAT scores. Involvement in 1 or 2 activities more important than affiliation with many. Applicants from minorities or low-income families admitted with some deficiencies. Middle 50% of applicants accepted for admission had SAT-verbal scores between 420 and 550 and SAT-mathematical scores between 470 and 600. **Application fee:** $15, may be waived for applicants with financial need. **Application procedures:** Closing date for applications on rolling admissions basis, suggested date May 31, applicants notified of decisions 2 weeks after all information is received. **Transfer applicants:** About 100 apply annually, and 80 are accepted. Apply by August for fall term. Other requirements and procedures: Official college transcript required, follow same admissions procedures as freshmen. Acceptance depends on post high school achievement. Those with associate degree and 2.5 quality-point average will have all credits accepted. Those below 2.5 or without degree will have courses evaluated on a credit-by-credit basis. Credits are given for grade of C or higher. **Additional information:** Well-qualified and mature students may be admitted after junior year of high school.

STUDENT LIFE. **Freshman class:** 283 men. 78% from Pennsylvania, 73% live on campus, 27% commute. Middle 50% of enrolled freshmen have SAT-verbal scores between 440 and 550 and SAT-mathematical scores between 480 and 600. **Programs undergraduates choose:** Liberal arts 19%, business 19%, natural sciences 26%, social sciences 19%, humanities 17%. **Postgraduate studies:** 40% of graduates enter graduate or professional programs. **Student activities:** Student government (Student Senate), student newspaper, magazine, radio, film, drama, musical theater, symphony orchestra, political organizations (Young Democrats, Tilton Society, Young Republicans), ethnic organizations (International Student Organization), social service organizations (Big Brother Program). **Athletics:** Basketball, billiards, bowling, cross-country, club football, golf, club ice hockey, soccer, softball, swimming and diving, tennis, volleyball, wrestling. **Student services:** Counseling, health services, student employment service for undergraduates, placement service for graduates and alumni. **Regulations:** First-semester freshmen may not have cars on campus. Freshmen must live on campus unless living at home. Firearms not permitted on campus. In general, freshmen are expected to live according to the same policies as upperclassmen. College discourages distinction by class. **Additional information:** Primarily a residential college emphasizing individual growth in a community experience. Philosophy and policies of student life are based on the assumption that all students are personally known to the faculty and administrators.

ANNUAL EXPENSES. **Tuition and fees:** $1,670. **Room and board:** $820. **Other expenses:** $250.

FINANCIAL AID. **Aid offered:** Grants, jobs. NDSL, EOG, CWSP. 117 accepted freshman applicants were judged to have need, 99 of these were offered aid, 28 of these were offered the full amounts they were estimated to need. **Basis for selection:** Financial need as computed by the PCS. No differentiation between in-state and out-of-state students. Special consideration is given to applicants from poverty-level groups or minority groups, in order to insure them enough aid to enroll without financial worry. **Application procedures:** Closing date for applications February 1, applicants notified of decisions by March 1, recipients of aid offers must reply by May 1. PCS required. **Transfer students:** Eligible for all types of aid. Same procedure as for freshmen. Should indicate type of aid received at previous college.

religion (philosophy, religion), physical sciences (chemistry, physics), psychology (general), social sciences (economics, political science, social work, sociology), theater arts (drama, theater arts). **Special programs:** Honors program, independent study, study abroad, 3-2 liberal arts and engineering combination, United Nations Semester, Washington Semester. **Programs for students from minorities or low-income families:** Special counselor, tutoring, remedial instruction, reduced course load. **Required freshman courses:** English composition, physical education. **Tests used for counseling, placement, or credit:** Placement, credit, or both will generally be given for grades of 3 and higher in Advanced Placement Examinations. Credit will generally be given on basis of CLEP General and Subject Examinations. **Academic regulations:** A 2.0 average is needed for good standing. Freshmen with a 1.75 generally permitted to continue on probation for a semester. **Additional information:** Students elect 1 of 3 curriculum plans: departmental major with a core curriculum, interdisciplinary major in American studies or related arts with a core curriculum, self-designed curriculum planned by the student with a faculty adviser.

ADMISSIONS. **Applications in 1971:** 362 women applied, 308 were accepted. **Admissions requirements:** ACT or SAT by senior year. English Composition and 2 other ACH of the student's choice by summer after senior year, used primarily for placement. Language requirement may be met by ACH. Tests not required of transfer students or for continuing education applicants. High school English 4 units, social studies 2, foreign language 2, mathematics 2, science 1, 5 electives made up of languages, physical and social sciences, or mathematics. Those who plan to major in mathematics encouraged to have 4 units of college preparatory mathematics; those who plan to major in science strongly urged to have 4 units science; all applicants are encouraged to have 1 unit of chemistry, particularly those intending to major in home economics. High school equivalency certificate accepted. Interview recommended. **Basis for selection:** All candidates are expected to present satisfactory evidence of their character and physical fitness. On receipt of the application, the college sends reference forms to the applicant, who is asked to distribute them. The health form is sent after the applicant has replied to the offer of admission. Seton Hill continues to encourage prospective applicants whose achievement is believed to have been hampered as a result of educational, social, or economic disadvantage. These students will be chosen individually on the basis of high motivation and academic potential, as determined by interview and responsible recommendations. Seton Hill has a special program to encourage applicants who are continuing their education after the age of 21. In lieu of the regular admissions requirements, these applicants may take 16 credits at Seton Hill as full-time or part-time students before matriculating for a degree and they will be considered for admission on the basis of their achievement in the courses taken. Applicants to the continuing education program will have their previous education and other equivalent experience evaluated by the director of continuing education. All other degree requirements as stated in the catalog must be met, with the exception of physical education; but courses may be taken on a part-time basis or in Saturday or evening sessions, summer sessions, or during the regular college year. Usually at least 50% of the total credits, including a substantial portion of work in the major field, should be taken at Seton Hill College. Middle 50% of applicants accepted for admission had SAT-verbal scores between 400 and 550 and SAT-mathematical scores between 400 and 550. **Application fee:** $10 nonrefundable, may be waived for applicants with financial need. **Application procedures:** Closing date for applications July 1, applicants notified of decisions 2 weeks after credentials are received. **Transfer applicants:** About 90 apply annually, and 80 are accepted. Apply by July 1 for fall term. Other requirements and procedures: File application for admission, which must be accompanied by a nonrefundable fee of $10 and a copy of secondary school record; official transcript including a statement of honorable dismissal plus a letter of character reference from the dean of women and from at least 1 teacher; and copy of the catalog of institution attended, in which are clearly marked the courses student wishes to offer for credit. All transfer students who have an associate degree, if accepted by Seton Hill, will have all credits accepted and counted toward graduation. Credits presented from 4-year colleges will be accepted if the courses represented by those credits are equivalent to courses in Seton Hill's curriculum. The Seton Hill grade-point average for all students will be based on accepted transfer credits and credits earned at Seton Hill. D's in major courses will not count for major requirement credit. At least 2 years' attendance is required of a candidate for a degree, and it is expected that at least half of the required major credits will be taken at Seton Hill College. Prospective art majors are asked to present a portfolio and music majors to have an audition in order that they may receive appropriate counseling in choosing their courses.

STUDENT LIFE. **Freshman class:** 230 women. 80% from Pennsylvania, 85% live on campus, 15% commute, 6% from minority backgrounds. CORRESPONDENCE. Director of Admissions, Westmoreland

County Community College, 59 Lincoln Highway East, Jeannette, Pennsylvania 15644.

Widener College, Chester, Pennsylvania

Four-year private nonsectarian college of arts and science for men and women. **Undergraduates:** 1,294 men, 234 women. **Graduates:** 364 men and women. **Calendar:** 4-1-4, summer session. **Location:** Small city 15 miles from Philadelphia. **Special features:** President's "open-door" accessibility to students; inclusion of students as voting equals on faculty and other committees; annual meeting of student representatives with board of trustees.

CURRICULUM. **Undergraduate degrees offered:** Associate (evening only), bachelor. **Fields of study:** Biological sciences (biology), business and commerce (accounting, business management and administration), education (secondary), engineering (chemical, civil, electrical, mechanical), English and literature (English), foreign languages (French, German, Spanish), health and medical professions (nursing–registered), history and cultures, mathematics, military science (military science–army), physical sciences (chemistry, physics), psychology, social sciences (economics, international relations, political science, sociology). **Special programs:** Accelerated program, honors program. **Programs for students from minorities or low-income families:** Special counselor, pre-admission summer program, tutoring, remedial instruction, reduced course load. **Military training:** Army ROTC (cadets only). **Required freshman courses:** English composition, social studies, physical education, ROTC (cadets only). **Tests used for counseling, placement, or credit:** Placement, credit, or both will generally be given for grades of 3 and higher in Advanced Placement Examinations. Credit will generally be given on basis of CLEP Subject Examinations. Maximum of 64 semester hours of credit by examination may be counted toward degree. ACH used for counseling and placement. **Academic regulations:** Freshmen must maintain C average to continue in good standing. 75% of freshmen complete year in good academic standing. **Graduate programs:** Business and commerce, engineering. **Additional information:** Mandatory course sequences are kept at a minimum to provide each student with the maximum possible choice of courses. These requirements vary, of course, with major field, and greatest flexibility occurs in liberal arts.

ADMISSIONS. **Applications in 1971:** 904 men applied, 596 were accepted; 216 women applied, 129 were accepted. **Admissions requirements:** SAT by January of senior year, 3 ACH (English Composition, Level I Mathematics, and third that varies according to choice of major) by May of senior year. ACH used predominantly for placement. High school English 4 units, social studies 3, foreign language 2, mathematics 3, science 2, academic electives 2. The above units are not rigid requirements. Probability for success in chosen major in the light of preparation for that program is the principal consideration in each case. Interview recommended. **Basis for selection:** School record is most important; all test scores are reviewed, not just SAT; activities and recommendations are considered; importance of class rank depends on quality of secondary school. Alumni children receive special consideration; each file is read thoroughly and individual decisions are reached. Middle 50% of applicants accepted for admission had SAT-verbal scores between 480 and 510 and SAT-mathematical scores between 520 and 540. **Application fee:** $15, may be waived for applicants with financial need. **Application procedures:** Closing date for applications on rolling admissions basis, applicants notified of decisions when file is complete, accepted applicants must reply March 1 for first group. **Transfer applicants:** About 200 apply annually, and 140 are accepted. Apply by July 1 for fall term. Other requirements and procedures: Honorable dismissal and acceptable record (C average or above) at previous institution required. Maximum of 64 credits for work applicable to the program is transferable. **Additional information:** College provides advice for prospective students via numerous personal letters. For example, an applicant with verbal ability and poor performance in mathematics and science who specifies engineering as a major would be counseled concerning the greater probabilities for success in nonscience areas.

STUDENT LIFE. **Freshman class:** 425 men, 120 women. 70% from Pennsylvania, 55% live on campus, 45% commute, 5% from minority backgrounds. Men tend to be from top 40% of class and score 1050-1100 on SAT; women tend to be from top 33% of class and score 1100-1150 on SAT. **Programs undergraduates choose:** Liberal arts 42%, engineering 13%, business 28%, science 10%, nursing 5%. **Postgraduate studies:** 38% of graduates enter graduate or professional programs. **Student activities:** Student government, student newspaper, yearbook, radio, religious organizations (Canterbury Club, Hillel Club, Newman Association, Wesley Club, Intervarsity Christian Fellowship), musical theater, marching band, concert band, political organizations (political science club, Student Political Action and Research Conference), ethnic organizations, social service organizations (Circle K, Black Student Union), fraternities, sororities. **Athletics:** Baseball-M, basketball, bowling, cross-country, football-M, golf, lacrosse-M, rifle-M, soccer-M, softball, squash, swimming and diving, tennis, track and field, volleyball, wrestling-M. **Student services:** Counseling, health services, student employment service for undergraduates, placement service for graduates and alumni. **Regulations:** Wine and beer in dormitories in accordance with state law; open dormitories (can be closed by student vote); boarding students may have cars on campus after first year; student proctors and student courts handle enforcement of regulations; nonlocal students must board on campus. **Additional information:** Cadets have military life style; men and women adopt casual clothing styles; hair tends to be long and beards come and go; no curfew or bed checks for men. Curfew in freshman year for women.

ANNUAL EXPENSES. **Tuition and fees:** $2,300. **Room and board:** $1,225-1,325. **Other expenses:** $500.

FINANCIAL AID. **Aid offered:** Grants, loans, jobs. NDSL, EOG, CWSP. 362 accepted freshman applicants were judged to have need, 257 of these were offered aid, 13 of these were offered the full amounts they were estimated to need. **Basis for selection:** Students are expected to use state loans and other such sources to meet part of their total need. Financial need is the paramount factor in considering students for aid. Quality of credentials, recommendations, and so forth are carefully weighed on a case-by-case basis. No differentiation of students from out of state. Students chosen for the college's special program for minority and poverty-level students are given special consideration for maximum assistance. Middle 50% of applicants who were offered financial aid had SAT-verbal scores between 525 and 570 and SAT-mathematical scores between 530 and 590. **Application procedures:** Closing date for applications March 1, applicants notified of decisions by April 30, recipients of aid offers must reply within 2 weeks. PCS required. **Transfer students:** Only loans (NDSL) and campus employment (CWSP) available. PCS required. **Additional information:** College tries to package aid to include a scholarship, a loan, and campus employment as appropriate. Outside resources such as state scholarships are considered.

Credit will generally be given on basis of CLEP General Examinations. Maximum of 60 semester hours of credit by examination may be counted toward degree. **Academic regulations:** 1.40 minimum average for freshmen on 4.0 scale; 92% meet this requirement. **Graduate programs:** Biological sciences, business and commerce, education, physical sciences.

ADMISSIONS. **Applications in 1971:** 1,200 men applied, 625 were accepted; 1,100 women applied, 575 were accepted. **Admissions requirements:** SAT. High school English 4 units, social studies 3, foreign language 2, mathematics 2, science 2. Exceptions in number of units required made for veterans and students with outstanding potential. Interview recommended. **Basis for selection:** High school record and high school recommendations are of first importance. SAT of some importance. All qualified students generally offered admission. Middle 50% of applicants accepted for admission had SAT-verbal scores between 450 and 550 and SAT-mathematical scores between 450 and 550. **Application fee:** $10, may be waived for applicants with financial need. **Application procedures:** No closing date for applications, applicants notified of decisions on rolling admissions basis, accepted applicants must reply by May 1. CRDA. **Transfer applicants:** About 300 apply annually, and 150 are accepted. Apply by August 1 for fall term. Other requirements and procedures: High school record, SAT scores (if available), transcript. C (2.00) average required. 2 years of college work accepted.

STUDENT LIFE. **Freshman class:** 350 men, 300 women. 70% from Pennsylvania, 45% live on campus, 55% commute, 10% from minority backgrounds. Middle 50% of enrolled freshmen have SAT-verbal scores between 475 and 575 and SAT-mathematical scores between 500 and 600. College has reasonably competitive admissions policy. **Programs undergraduates choose:** Liberal arts 40%, engineering 20%, education 10%, business 20%, fine arts 10%. **Postgraduate studies:** 30% of graduates enter graduate or professional programs. **Student activities:** Student government, student newspaper, magazine, yearbook, radio, drama, opera or musical theater, concert band, political organizations, social service organizations. **Athletics:** Baseball-M, basketball, bowling, cross-country-M, field hockey-W, football-M, golf-M, lacrosse-M, soccer-M, softball, swimming and diving-M, tennis, wrestling-M. **Student services:** Counseling, health services, student employment service for undergraduates, placement service for graduates and alumni. **Regulations:** Freshmen not allowed to have cars on campus. Freshmen and sophomores must live on campus. No chapel.

ANNUAL EXPENSES. **Tuition and fees:** $1,800. **Room and board:** $1,200. **Other expenses:** $250.

FINANCIAL AID. **Aid offered:** Grants, jobs. NDSL, EOG, CWSP. 660 accepted freshman applicants were judged to have need, 660 of these were offered aid, 660 of these were offered the full amounts they were estimated to need. **Basis for selection:** All aid generally based on need after a student is accepted. Exceptions are a small number of honor scholarships awarded to students possessing outstanding academic ability as shown by class rank, grades, and test scores or for special talents in music, leadership, and other areas. **Application procedures:** No closing date for applications, applicants notified of decisions on rolling admissions basis, recipients of aid offers must reply before May 1. PCS required. **Transfer students:** Treated same as incoming freshmen; no special requirements once they are accepted. **Additional information:** Off-campus jobs available in local community.

The campus of 25 landscaped acres has 25 buildings of striking design, many of recent construction.

CURRICULUM. **Undergraduate degrees offered:** Bachelor. **Fields of study:** Art, biological sciences (biology), business and commerce (secretarial studies), education (art, business, child development and nursery, education of the mentally retarded, elementary, music, speech and hearing), English and literature (English, speech), foreign languages (French, German, Spanish), history and cultures, library science, mathematics, music (voice), philosophy and religion (religion), physical sciences (chemistry), psychology (general), social sciences (sociology), theater arts (drama). **Special programs:** Accelerated program, independent study, study abroad (Shakespeare at Stratford, art and music study, independent study in specific areas), 1-year business program with no credit. **Programs for students from minorities or low-income families:** Reduced course load, Helping Hand for high school dropouts. **Required freshman courses:** English composition, foreign language, history or social studies, physical education, religion. **Tests used for counseling, placement, or credit:** Placement or credit will sometimes be given on basis of Advanced Placement Examinations. **Academic regulations:** Freshmen must make a C average in order to remain in good academic standing. 85% of freshmen complete year in good standing. **Graduate programs:** Courses offered in cooperation with Clemson University.

ADMISSIONS. **Applications in 1971:** 2 men applied and were accepted; 396 women applied, 367 were accepted. **Admissions requirements:** SAT and ACH (in English composition and mathematics) by May of senior year. High school English 4 units, and a total of at least 16 academic units recommended. Usually graduation from an accredited high school is required. Interview recommended. **Basis for selection:** Selection is made on a grade-point prediction basis, using academic subjects of first 3 years of high school plus the verbal and mathematics scores of the SAT. Special note is made of major area of interest and special talents. Middle 50% of applicants accepted for admission had SAT-verbal scores between 400 and 499 and SAT-mathematical scores between 400 and 499. **Application fee:** $15. **Application procedures:** No closing date for applications (accepted as long as space is available); applicants notified of decisions as credentials are completed; accepted applicants must reply as credentials are completed. **Transfer applicants:** About 40 apply annually, and 35 are accepted. Apply by August 1 for fall term. Other requirements and procedures: transcript from college previously attended; eligibility to return to previous institution; SAT scores. D's are not transferable toward a degree. Hours transferred must be the equivalent of the course offered at this college, and must be approved by the head of the corresponding department. **Additional information:** Transfer student must fill in formal application and send scores on both SAT and ACH. It is the student's responsibility to have his high school transcript sent to the college. An interview is recommended but not required.

STUDENT LIFE. **Freshman class:** 2 men, 272 women. 92% from South Carolina, 92% live on campus, 8% commute, 2.5% from minority backgrounds. Middle 50% of enrolled freshmen have SAT-verbal scores between 420 and 480 and SAT-mathematical scores between 430 and 490. According to grade-point predictions 25% of enrolled freshmen should make superior grades and have the capacity to do better than average work. But by the same token, 13% may encounter difficulty and predictions indicate that they take

reduced loads until academic ability is firmly established. **Programs undergraduates choose:** Liberal arts 100% (with majors in areas of education, business, religion, and other fields). **Postgraduate studies:** 10% of graduates enter graduate or professional programs. **Student activities:** Student government, student newspaper, magazine, yearbook, religious organizations (denominational), drama, dance, choir, handbells, political organizations, social service organizations. **Athletics:** Archery, basketball, bowling, gymnastics, handball, softball, swimming and diving, tennis. **Student services:** Counseling, health services, student employment service for undergraduates, placement service for graduates and alumni. **Regulations:** Students may have cars but must pay a parking fee. Wednesday chapel attendance is compulsory. Usually students live on campus unless living with parents or relatives (exceptions must be granted by the dean of students). **Additional information:** The cultural and social life of the average student is a busy schedule of lectures, films, concerts, and roundtable discussions as well as frequent parties, dances, and mixers with students from other colleges in the Carolinas.

ANNUAL EXPENSES. **Comprehensive fee:** $2,700. **Other expenses:** $375.

FINANCIAL AID. **Aid offered:** Grants, loans, jobs, limited number of merit scholarships. NDSL, EOG, CWSP. 37 accepted freshman applicants were judged to have need, 34 of these were offered aid. **Basis for selection:** Need is the primary factor, but class rank and academic standing are noted as well as predicted future college success. **Application procedures:** No closing date for applications but it is desirable for applications to be in by March 1; applicants notified of decisions as soon as possible beginning in March; recipients of aid offers must reply within 2 weeks of notification. PCS required. **Additional information:** The financial aid applicants should realize that the amount of aid which can be granted seldom meets all the educational expenses, and financial assistance is usually supplemented by the student, family, or other outside sources.

University of the South, Sewanee, Tennessee

Four-year Episcopal college of arts and science for men and women. **Undergraduates:** 700 men, 270 women. **Graduates:** 164 men, 11 women. **Calendar:** Semester (early semester with first semester beginning the last of August and ending before Christmas), summer session. **Location:** Rural community, 50 miles from Chattanooga, Tennessee. **Special features:** The university domain comprises 10,000 acres of land (8,500 are in forests) in the Cumberland Mountains, 2,000 feet above sea level. The University Airport, on the domain, has a lighted and paved runway 2,800 feet long.

CURRICULUM. **Undergraduate degrees offered:** Bachelor. **Fields of study:** Art (art history, commercial art, design, graphic arts, photography, studio art), biological sciences (biology), English and literature (English, literature), foreign languages (Classical languages, French, German, Italian, Russian, Spanish), forestry and conservation, history and cultures (American, ancient, area and regional, European), mathematics, military science (air science), philosophy and religion (philosophy, religion), physical sciences (chemistry, physics), psychology (experimental, general), social sciences (anthropology, economics, political science, sociology). **Special programs:** Honors program, independent study, study abroad (on an individual basis), 3-2 liberal arts and engineering combination, pre-medical, pre-dental, and pre-law curriculums. **Military training:** Air Force ROTC. **Required freshman courses:** Foreign language, literature (English), mathematics, physical education, religion, science. **Tests used for counseling, placement, or credit:** Placement, credit, or both will generally be given for grades of 3 and higher in Advanced Placement Examinations. Credit will generally be given on basis of CLEP Subject Examinations. **Academic regulations:** Must pass no fewer than 18 semester hours with at least 15 quality points (A = 3 quality points). 95% of freshmen complete year in good academic standing. **Graduate programs:** Theology. **Additional information:** Each year there are a limited number of courses which are offered in response to student demand. These are usually of a non-department nature, and have encompassed subjects as varied as the stock market, aesthetics of the film, and philosophy of science. Students frequently take advantage of both academic-year and summer programs of study abroad. Sewanee participates in a special summer program at the University of Oxford. The junior year is the academic year most often spent abroad, normally in France, Great Britain, Germany, or Spain.

ADMISSIONS. **Applications in 1971:** 414 men applied, 311 were accepted; 176 women applied, 140 were accepted. **Admissions requirements:** SAT by January of senior year. High school English 4 units, social studies 2, foreign language 2, mathematics 3, science 1, a total of at least 15 academic units. Interview recommended. **Basis for selection:** Though the college requires each applicant to take the SAT it is more interested in a student's general promise and in the quality of his work than in the completion of specifically required courses. It gives preference, however, to applicants who have pursued a regular college preparatory course. This normally includes the following subjects: 4 units of English, 3 or 4 units of mathematics, 1 or 2 units of history, 2 or more units of foreign language, and 1 or more units of natural science. An applicant must have at least 15 academic units. Middle 50% of applicants accepted for admission had SAT-verbal scores between 500 and 600 and SAT-mathematical scores between 515 and 630. **Application fee:** $15, may be waived for applicants with financial need. **Application procedures:** Closing date for applications February 15, applicants notified of decisions when file is complete, accepted applicants must reply by May 1. CRDA, EDP-S. **Transfer applicants:** About 50 apply annually, and 40 are accepted. Apply by February 15 for fall term. Should have at least 2.50 grade-point average (A = 4.00) at previous college. Full credit given for liberal arts and science courses in which student has C grade or better.

STUDENT LIFE. **Freshman class:** 190 men, 90 women. 24% from Tennessee, 95% live on campus, 5% commute, 1% from

minority backgrounds. Middle 50% of enrolled freshmen have SAT-verbal scores between 500 and 600 and SAT-mathematical scores between 520 and 625. 52% of the freshmen rank in the top 20% of their high school graduating class. **Programs undergraduates choose:** Liberal arts 99%, forestry 1%. **Postgraduate studies:** 60% of graduates enter graduate or professional programs. **Student activities:** Student government (strong bicameral system), student newspaper, magazine, yearbook, religious organizations (student vestry, acolytes, lay readers), drama, concert band, political organizations, social service organizations (Sewanee Youth Center), fraternities. **Athletics:** Baseball-M, basketball-M, bowling, cross-country-M, football-M, golf, handball-M, lacrosse-M, rifle-M, skiing-M, soccer-M, softball-M, swimming and diving, tennis, track and field-M, wrestling-M, volleyball. **Student services:** Counseling, health services, student employment service for undergraduates, placement service for graduates and alumni. **Regulations:** Students may operate automobiles after their freshman year. All students room and board in university facilities. **Additional information:** Sewanee's bicameral student government organization is unique. The Delegate Assembly is a popularly-elected body of representatives which initiates most student legislation. Freshmen are members of this body. The Order of Gownsmen is made up of students who have achieved the required grade-point average and are entitled to wear the academic gown. It must ratify actions of the Assembly and has responsibility for maintenance of the Honor Code and the Discipline Committee.

ANNUAL EXPENSES. **Tuition and fees:** $2,200. **Room and board:** $1,000. **Other expenses:** $300.

FINANCIAL AID. **Aid offered:** Grants, loans, jobs. NDSL, EOG, CWSP. 181 accepted freshman applicants were judged to have need, 181 of these were offered aid, 178 of these were offered the full amounts they were estimated to need. **Basis for selection:** The financing of a college education is a partnership between student, family, and college. Each has a fair share. In a sense, every student has aid, for endowment income pays for a substantial part of educational expense, with the family providing the remainder for the majority of students. The college seeks young men and women with high intellectual capacity, strong motivation toward a college education, and demonstrated willingness to help themselves. Generosity of benefactors has made it possible for Sewanee to enroll a peer group of distinction beyond the number of those who can be financed with family resources alone. Academically qualified applicants whose funds appear inadequate should consult the Office of Financial Aid. There are a few students in each class who can contribute only summer and academic-year earnings. Aid is available without restriction on race or creed. Sewanee is publicly committed to the principle of using financial need as the basic criterion for granting financial assistance. The PCS is the essential document in the award of aid. Middle 50% of applicants who were offered financial aid had SAT-verbal scores between 500 and 600 and SAT-mathematical scores between 515 and 630. **Application procedures:** Closing date for applications preferably February 1, applicants notified of decisions by April 15, recipients of aid offers must reply by May 1. PCS required. **Transfer students:** The procedures are essentially the same for transfer students.

Credit will generally be given on basis of CLEP Subject Examinations. College's examinations also used. **Academic regulations:** Grade-point average below 1.5 first semester places student on probation. Below 1.5 second semester places student on academic suspension for 1 semester. Approximately 98% of freshmen complete year in good academic standing. **Graduate programs:** Biological sciences, business and commerce, education, English and

journalism, fine and applied arts, foreign language and literature, geography, mathematics, philosophy, physical sciences, psychology, religion, social sciences, other (environmental sciences, public administration). **Additional information:** The university is one of 4 Texas universities to have a Phi Beta Kappa chapter. Doctoral programs in English, mathematics, physics, chemistry, psychology, and history.

ADMISSIONS. **Applications in 1971:** 1,023 men applied, 853 were accepted; 1,357 women applied, 1,121 were accepted. **Admissions requirements:** SAT by April of senior year. High school English 4 units, social studies 2, foreign language 2, mathematics 2-3, science 1. Although there are no inflexible subject matter requirements, 13 units from the areas above are strongly recommended. Interview recommended. **Basis for selection:** The high school record is the most important criterion used. A student with strong academic preparation, a class rank that would show competition with his class peers, and SAT scores that would place him in a general range with the university's freshman class can almost be assured admission. Recommendations, interview, and extracurricular activities also considered. Foreign students and students from low-income families are given consideration in line with their needs. No geographical quotas. Middle 50% of applicants accepted for admission had SAT-verbal scores between 450 and 500 and SAT-mathematical scores between 450 and 500. **Application fee:** $10, may be waived for applicants with financial need. **Application procedures:** Closing date for applications 1 month prior to beginning of classes, applicants notified of decisions on rolling admissions basis. **Transfer applicants:** About 700 apply annually, and 500 are accepted. Apply by August 1 for fall term. Must be in good standing at previous institution. Vermont

Bennington College, Bennington, Vermont

Four-year private nonsectarian liberal arts college for men and women. **Undergraduates:** 158 men, 438 women. **Graduates:** 1 man, 3 women. **Calendar:** Two 14-week resident terms, one 9-week nonresident term. **Location:** Rural community 40 miles from Albany, New York. **Special features:** 9-week nonresident term where students hold off-campus jobs secured with help from the college.

CURRICULUM. **Undergraduate degrees offered:** Bachelor. **Fields of study:** Architecture, art (art history, graphic arts, photography, studio art), biological sciences (biochemistry, biology, botany, ecology, physiology, zoology), computer science and systems analysis (computer science), education (child development and nursery), English and literature (creative writing, English, literature), foreign languages (French, German, linguistics, Russian, Spanish), history and cultures (American, European), mathematics (statistics), music (composition and theory, instrumental music, music history, voice), philosophy and religion (philosophy), physical sciences (astronomy, chemistry, physics), psychology (experimental, general, social), social sciences (anthropology, economics, international relations, political science), theater arts (dance, drama, theater arts). **Special programs:** Accelerated program, cooperative education, independent study, students placed individually in foreign universities for study abroad. **Tests used for counseling, placement, or credit:** Placement will sometimes be given on basis of Advanced Placement Examinations. **Academic regulations:** Since the college works with comments rather than grades, there are no specific minimum grade-point average requirements. About 97% of freshman class completes the term in good academic standing. **Graduate programs:** Fine and applied arts. **Additional information:** Interdivisional and double majors available; opportunities to work in all 7 divisions of the college; senior thesis required for graduation; independent study tutorials available; no required courses; written reports from each instructor twice a term.

ADMISSIONS. **Applications in 1971:** 538 men applied, 127 were accepted; 1,150 women applied, 272 were accepted. **Admissions requirements:** SAT, plus English Composition ACH and 2 others of student's choice by January of senior year. No specific high school subject requirements or high school diploma necessary. Interview required. **Basis for selection:** No one factor is more important than another, however, SAT and ACH scores are the least important factor. College looks for evidence of ability and a sense that the ability has been used well and could continue to be used well in a rather flexible, unstructured, and independent environment. Middle 50% of applicants accepted for admission had SAT-verbal scores between 650 and 800 and SAT-mathematical scores between 640 and 800. **Application fee:** $20, may be waived for applicants with financial need. **Application procedures:** Closing date for applications January 15, applicants notified of decisions by April 15, accepted applicants must reply by May 1. CRDA. EDP-F. **Transfer applicants:** Apply by March 15 for fall term. Other requirements and procedures: Applicants with 2 years of college must have, in addition to staff and student interviews, interviews with a faculty member from proposed major field and with dean of studies. Most transfer students have at least a B average in college. They are not guaranteed credit or assigned a graduation date until they have spent one term at Bennington. **Additional information:** All applicants who visit the college are interviewed by a student as well as an admissions staff person.

STUDENT LIFE. **Freshman class:** 50 men, 100 women. 3% from Vermont, 86% live on campus, 7% from minority backgrounds. Over 60% of freshmen were at least in the top fifth of their high school class. **Programs undergraduates choose:** Liberal arts 44%, fine arts 13%, drama 9%, dance 10%, music 10%, interdivisional 14%. **Postgraduate studies:** 60% of graduates enter graduate or professional programs. **Student activities:** Student government, magazine, drama, dance, symphony orchestra, social service organizations (tutoring, day-care center, and other volunteer work in town of Bennington). **Athletics:** Touch football, skiing, soccer, softball, tennis. **Student services:** Counseling, health services, student employment service for undergraduates, placement service for graduates and alumni, office to help students find employment for nonresident term. **Regulations:** All new students must live in a college house (25-30 students to a house) for at least a term. Automobiles allowed for all students. Students run their own social and personal lives. No faculty or staff supervision in the houses. Houses are coeducational. **Additional information:** Film series, music concerts, dance and drama performances, lecture series, visiting artists and companies, informal social life, outdoor activities available. Students have a large say in curriculum decisions, faculty hiring, and general policy.

ANNUAL EXPENSES. **Comprehensive fee:** $4,950. **Other expenses:** $200.

FINANCIAL AID. **Aid offered:** Grants, loans, jobs. NDSL, EOG, CWSP. 35 accepted freshman applicants were judged to have need, 35 of these were offered aid, 35 of these were offered the full amounts they were estimated to need. **Basis for selection:** College reduces fees for those students who cannot afford to pay the full fees. Selection is based totally on need as determined by the PCS and the Bennington College Reduced Fees Application. No student should be discouraged from applying to Bennington because of financial need. **Application procedures:** Closing date for applications January 15, applicants notified of decisions by April 15, recipients of aid offers must reply by May 1. PCS and college's application for reduced fees required. **Transfer students:** Fees are reduced for transfer students in the same way as for freshmen. **Additional information:** Students are encouraged to pursue all possible outside sources of aid, particularly state and local grants in conjunction with the nonresident term. Students can earn a considerable amount to be used towards their education. College requires students whose fees are reduced to earn at least $1,000 in the calendar year.

Castleton State College, Castleton, Vermont

Four-year public college of arts and science for men and women. **Undergraduates:** 533 men, 694 women. **Calendar:** Semester, summer session. **Location:** Small town 12 miles from Rutland, Vermont. **Special features:** Division of Continuing Education serves community area.

CURRICULUM. **Undergraduate degrees offered:** Associate, bachelor. **Fields of study:** Art, biological sciences (biology, combined science), business and commerce (accounting, business administration, retailing, secretarial studies), education (business, elementary, music, physical, secondary), English and literature (English), foreign languages (French, Spanish), health and medical professions (nursing–registered), history, mathematics, music, psychology, social sciences (sociology), theater arts (theater arts). **Required freshman courses:** English composition, history or social studies, mathematics, physical education, science. **Tests used for counseling, placement, or credit:** Placement, credit, or both will generally be given for grades

of 3 and higher in Advanced Placement Examinations. Credit will generally be given on basis of CLEP Subject Examinations. **Academic regulations:** Grade-point average of 2.00 required at end of freshman year for good standing.

ADMISSIONS. **Applications in 1971:** 600 men applied, 400 were accepted; 900 women applied, 600 were accepted. **Admissions requirements:** ACT by early part of senior year, or SAT by January of senior year. High school English 4 units, social studies 2, foreign language 2, mathematics 2, science 2. Interview required in certain programs. **Basis for selection:** Faculty-student committee on admissions acts bimonthly on applications. Emphasis is placed on performance in high school, recommendation, and rank in top half of class. Because quota of students from out of state is restricted, college is more selective with that group. Middle 50% of applicants accepted for admission who took the SAT had SAT-verbal scores between 400 and 500 and SAT-mathematical scores between 475 and 600. Middle 50% of applicants accepted for admission who took the ACT had estimated ACT composite scores between 16 and 22. **Application fee:** $10, may be waived for applicants with financial need. **Application procedures:** Closing date for applications February 15, applicants notified of decisions by March 15, accepted applicants must reply by April 15. **Transfer applicants:** About 300 apply annually, and 175 are accepted. Apply by February 15 for fall term. Requirements for admission to advanced standing are the same as for freshmen except that under special conditions the ACT or SAT may be waived for a student who has satisfactorily completed 1 or more semesters in a full-time program at an accredited college.

STUDENT LIFE. **Freshman class:** 160 men, 240 women. 75% from Vermont, 75% live on campus, 25% commute, −1% from minority backgrounds. Middle 50% of enrolled freshmen who took the SAT have SAT-verbal scores between 425 and 550 and SAT-mathematical scores between 450 and 525. Middle 50% of enrolled freshmen who took the ACT have ACT composite scores between 17 and 22. **Programs undergraduates choose:** Liberal arts 30%, education 54%, business 10%, fine arts 1%, nursing 5%. **Student activities:** Student government, student newspaper, magazine, yearbook, religious organizations, drama, dance, concert band, choral union. **Athletics:** Baseball-M, basketball-M, field hockey-W, handball-M, lacrosse-M, skiing-M, soccer-M, softball-M, swimming and diving-W, tennis-M, track and field-M. **Student services:** Counseling, health services, student employment service for undergraduates, placement service for graduates and alumni. **Regulations:** All students who do not commute from home must live in college dormitories and eat in the college dining hall to the extent that facilities are available. Also, automobiles operated on campus must be registered. Parking permits are issued at no charge.

ANNUAL EXPENSES. **Tuition and fees:** $766; for students from out-of-state $1,596. **Room and board:** $1,040. **Other expenses:** Estimated at $500.

FINANCIAL AID. **Aid offered:** Grants, short-term loans, jobs. NDSL, EOG, CWSP, Law Enforcement Education Program. 140 accepted freshman applicants were judged to have need, 140 of these were offered aid, 110 of these were offered the full amounts they were estimated to need. **Basis for selection:** College attempts to meet the financial need of all qualified students who meet the standards and requirements as set forth by the federal regulations governing each program. Class rank, grades, and test scores are taken into consideration only as far as the regulations allow. **Application procedures:** Closing date for applications May 1, applicants notified of decisions by July 1, recipients of aid offers must reply by July 22. FFS required. **Transfer students:** Same as freshmen, except in case of EOG renewal recipients. College attempts to continue aid awarded at previous institution.

Champlain College, Burlington, Vermont

Two-year private nonsectarian junior college of business and law enforcement for men and women. **Undergraduates:** 298 men, 305 women. **Calendar:** Semester, summer session. **Location:** Small city 95 miles from Montreal, Canada. **Special features:** Location in attractive residential section of Burlington. 23 acres of land and 17 buildings including a new 3-story educational center. Some cooperative dormitories for women.

CURRICULUM. **Undergraduate degrees offered:** Associate. **Fields of study:** Business and commerce (accounting, business management and administration, marketing, sales and retailing, secretarial studies), computer science and systems analysis (computer science, data processing), education (business), health and medical professions (dental assisting), social sciences (police science). **Special programs:** Cooperative education. **Programs for students from minorities or low-income families:** Tutoring, remedial instruction, reduced course load, special faculty adviser system. **Required freshman courses:** English composition, mathematics. **Tests used for counseling, placement, or credit:** Placement, credit, or both will sometimes be given on basis of Advanced Placement Examinations. Credit will generally be given on basis of CLEP General and Subject Examinations. **Academic regulations:** Freshmen below 1.3 grade-point average at end of first semester are placed on probation; academic dismissal at end of first year if below 1.5. In 1971 freshman class at end of first semester, one-third earned 3.0 or better and 75% 2.0 or better; 8% on probation at end of first semester. **Additional information:** Median class size is 23. The college has 2 full-time counselors and developmental reading and basic English and mathematics specialists. On-the-job training for secretaries.

ADMISSIONS. **Applications in 1971:** 251 men applied, 239 were accepted; 265 women applied, 262 were accepted. **Admissions requirements:** ACT or SAT accepted but not required. At least 1 standardized test score on which college may judge ability level or potential of applicant required. Many tests given to students in high school would meet this requirement. High school English 4 units, mathematics 2 (data processing only), laboratory science 1 (medical secretarial only). Interview recommended. **Basis for selection:** High school record most important factor. Importance also given to test scores and counselor's statement or recommendation. **Application fee:** $25, may be waived for applicants with financial need. **Application procedures:** Closing date for applications on rolling admissions basis, applicants notified of decisions 2-3 weeks after application. **Transfer applicants:** About 20 apply annually, and 20 are accepted. Apply by September 1 for fall term. Other requirements and procedures: College will accept qualified transfer student's credits if C or better average was earned at previous college.

STUDENT LIFE. **Freshman class:** 175 men, 175 women. 72% from Vermont, 65% live on campus, 35% commute, 3% from minority backgrounds. **Programs undergraduates choose:** Education 5%, business 83%, police science 12%. **Postgraduate studies:** 15% of graduates enter 4-year programs. **Student activities:** Student government, student newspaper, yearbook, religious organizations, drama, political organizations, social service organizations, fraternities, sororities. **Athletics:** Basketball, bowling, football-M, golf-M, skiing, softball. **Student services:** Counseling, health services, student employment service for undergraduates, placement service for graduates and alumni. **Regulations:** All students allowed to have registered cars. All students except commuters required to live in

Goddard College, Plainfield, Vermont

Four-year private nonsectarian liberal arts college for men and women. **Undergraduates:** 1,000 men and women. **Graduates:** 120 men and women. **Calendar:** Trimester. **Location:** Rural community 10 miles from Montpelier, Vermont. **Special features:** 9 trimesters are required for graduation from Goddard, of which 2 must be and as many as 5 may be nonresident independent-study trimesters, some of which may be funded by rebates from college fees. The degree program typically involves three 12-month academic years of 3 trimesters each, separated by 1-trimester pauses or vacations.

CURRICULUM. **Undergraduate degrees offered:** Bachelor. **Fields of study:** Agriculture, architecture, art, biological sciences, communications, education, English and literature, ethnic studies, foreign languages, forestry and conservation, geography, health and medical professions, history and cultures, home economics, library science, mathematics, music, philosophy and religion, physical sciences, psychology, social sciences, theater arts. It is quite possible for a student to major in areas besides those listed above. **Special programs:** Accelerated program, cooperative education, independent study, study abroad anywhere. **Programs for students from minorities or low-income families:** Third-World Program. **Tests used for counseling, placement, or credit:** Credit will be given on basis of CLEP General Examinations. Usually only adults receive credit through CLEP. Maximum of 30 semester hours of credit by examination may be counted toward degree. **Academic regulations:** During their first 3 trimesters at Goddard, students are expected to demonstrate their ability to plan and carry out serious college study, making appropriate use of college resources during 2 resident trimesters, and making mature use of away-from-campus resources for independent work and study during 1 nonresident trimester. Students who are not able to do so are counseled to withdraw from the col-

lege. **Graduate programs:** City planning, education, psychology, religion, social sciences, social change projects. **Additional information:** The Goddard curriculum is defined as the activities a student plans and carries out to learn what he needs to learn, within broad limits set by the capability of Goddard faculty members and a broadly comprehensive definition of the liberal arts. Some of those activities involve taking courses offered by the faculty; others are independent study planned by individual students with the assistance of faculty members and carried on under faculty supervision; still other learning activities are undertaken during nonresident terms, drawing on resources not directly connected with the college. Apprenticeships, internships, study-travel, attendance at other institutions, enrollment in institutes and workshops are included. Students keep records of these activities and secure documentation for them where appropriate. The undergraduate curriculum is part of the University Without Walls Program in which Goddard participates as a founding member of the Union for Experimenting Colleges and Universities.

ADMISSIONS. **Applications in 1971:** 1,189 men and women applied, 624 were accepted. **Admissions requirements:** Applicants are not required to submit test scores. No specific high school units required but graduation from high school with evidence of ability and motivation to do serious and independent college study is expected. Interview recommended. **Basis for selection:** To the greatest extent possible, Goddard seeks a self-selected student group. 2 fundamental criteria are applied: that the student should know himself well enough to be able to evaluate his ability to do serious and independent college-level study, and that he knows the college well enought to be able to visualize himself as a student in it and plan the ways in which he will use it. An applicant's record of previous activities, in and out of school, is understood as important, but of equal importance are his perceptions about himself and Goddard as he is able to state them in writing and orally. The opinions of other persons may be solicited, though letters of recommendation are not uniformly required. Middle 50% of applicants accepted for admission who submitted test scores had SAT-verbal scores between 500 and 620 and SAT-mathematical scores between 460 and 580. **Application fee:** $15, may be waived for applicants with extreme financial need. **Application procedures:** Closing date for applications on rolling admissions basis, applicants notified of decisions as soon as possible. CRDA. **Transfer applicants:** About 500 apply annually, and 300 are accepted. Rolling admissions deadline for fall-term applications. Other requirements and procedures: Admissions criteria are same as for those with no previous college experience. 1 trimester of advance standing is given for every 15 semester hours of study carrying grades of C or above, up to a maximum of 60 semester hours. Transfer students must spend at least 4 trimesters at Goddard and take at least 1 nonresident trimester under Goddard's supervision to earn the bachelor's degree. **Additional information:** Acceptable applicants must sometimes postpone entrance to a later trimester because of large numbers of applications.

STUDENT LIFE. **Freshman class:** 126 men, 163 women. 2% from Vermont, 95% live on campus (all except married freshmen), 1% commute, 10% from minority backgrounds. Entering students have scored high on tests of independence of outlook, intellectual and esthetic interests, and flexibility. They appear to have chosen Goddard deliberately for what they understand to be its support for these qualities. They have generally done well in high school, and admissions test scores they have chosen to submit show them to be well above average in the characteristics such tests measure. **Programs undergraduates choose:** Liberal arts 50%, education 20%, fine arts 20%. **Postgraduate studies:** 60% of graduates enter graduate or professional programs. **Student activities:** Community government, student newspaper, magazine, film, drama, musical theater, dance, popular music, political organizations, ethnic organizations (Third-World Studies Program), social service organizations (off-campus service program). **Athletics:** Informal and not organized. **Student services:** Counseling, health services, nonresident trimester placement. **Regulations:** No pets permitted; firearms must be registered; new students must live in dormitories; cars must be insured and registered with college. **Additional information:** Student life, understood to be part of the educational program, has its centers in small residences (from 15 to 30 students) that also house class meeting places and faculty offices. In half of them, students cooperate in purchasing food and preparing meals. In all of them, students are responsible for the order and cleanliness of the buildings. Social life is informal, much of it being spontaneous. A fraction of the comprehensive fee supports a program of films, concerts, dance recitals, art exhibits, and lectures planned by a student-faculty committee; other lectures and performances are sponsored by other student-faculty groups including the Radical Studies Program, the Women's Studies Program, the Publications and Photography Program, the Third-World Program, and so forth.

ANNUAL EXPENSES. **Comprehensive fee:** $2,300 per resident trimester. **Other expenses:** $200.

FINANCIAL AID. **Aid offered:** Grants, loans. NDSL, EOG, CWSP. 177 accepted freshman applicants were judged to have need, 177 of these were offered aid, 177 of these were offered the full amounts they were estimated to need. **Basis for selection:** Need is the only criterion. PCS required. **Transfer students:** Considered on same basis as other applicants. **Additional information:** The first $1,500 of financial aid granted a student for a 3-trimester academic year must be borrowed, usually under a state guaranteed loan program. To the greatest degree possible, the college attempts to put students who receive financial aid on an equal footing with those paying the full fee as far as access to programs and possibilities (including educationally important uses of the nonresident terms) is concerned.

CORRESPONDENCE. David McConnell, Admissions Office, or Stewart Meachem, Financial Aid, Goddard College, Plainfield, Vermont 05667. Students from minority or poverty backgrounds may write to Calvin Hicks, Third-World Studies, at the same address.

Credit will generally be given on basis of CLEP Subject Examinations. Maximum of 6 semester hours of credit by examination may be counted toward degree. Complete battery of tests also used. **Academic regulations:** Freshmen must earn 1.8 cumulative average on 4.0 system and 75% of program credit requirements to continue in good standing. 80% of freshmen complete first year in good standing.

ADMISSIONS. **Applications in 1971:** 638 women applied, 360 were accepted. **Admissions requirements:** ACT or SAT by January. French or Spanish ACH recommended by January if student plans to continue foreign language on college level; used only for placement. High school English 4 units, social studies 3, foreign language 2, mathematics 2, science 2, general electives 3. Secondary school diploma from accredited 4-year preparatory or high school and counselor's recommendation required. Interview recommended. **Basis for selection:** School achievement record most important followed by recommendations, test scores, extracurricular activities, and general health. Middle 50% of applicants accepted for admission had SAT-verbal scores between 450 and 475 and SAT-mathematical scores between 450 and 475. **Application fee:** $25. **Application procedures:** Closing date for applications May 1, applicants notified of decisions on rolling admissions basis, accepted applicants must reply within 30 days. EDP-S. **Transfer applicants:** About 15 apply annually, and 5 are accepted. Apply by August 15 for fall term. Other requirements and procedures: Same admissions procedures as for freshman applicants plus college transcript for credit transfer evaluation. Full transfer credit given for courses that are comparable to Green Mountain curriculum.

STUDENT LIFE. **Freshman class:** 360 women. 3% from Vermont, 97% live on campus, 1% commute, 1% from minority backgrounds. Middle 50% of enrolled freshmen have SAT-verbal scores between 450 and 475 and SAT-mathematical scores between 450 and 475. **Programs undergraduates choose:** Liberal arts 50%, education 20%, business 20%, health services 10%. **Postgraduate studies:** 75-80% of graduates enter 4-year programs. **Student activities:** Student government, magazine, yearbook, religious organizations (Interfaith Association), drama, madrigal singers, political organizations (Young Republicans, Young Democrats), social service organizations (Head Start preschool program, assistance to Rutland mental health center, public school tutorial program, membership in Poultney Improvement Corporation). **Athletics:** Archery, basketball, bowling, fencing, field hockey, golf, gymnastics, lacrosse, skiing, softball, swimming and diving, tennis. **Student services:** Counseling, health services, student employment service for undergraduates, placement service for graduates and alumni, transfer counseling. **Regulations:** All students may have automobiles. **Additional information:** Students serve on faculty committees. Strong student council with community service as a major emphasis.

ANNUAL EXPENSES. **Comprehensive fee:** $3,975.

FINANCIAL AID. **Aid offered:** Grants, loans, jobs, workships. NDSL, EOG, CWSP. **Basis for selection:** Grants and workships based on academic achievement, character, and need. **Application procedures:** Closing date for applications February 1, applicants notified of decisions on rolling admissions basis, recipients of aid offers must reply within 30 days. PCS and college's financial aid application required.

College of the Potomac, Arlington, Virginia

Four-year private nonsectarian liberal arts college for men and women. **Undergraduates:** 30 men, 22 women. **Calendar:** Quarter, summer session. **Location:** Metropolitan area 2 miles from Washington, D.C. **Special features:** College is intentionally small to provide its students with a maximum of individualized attention.

CURRICULUM. **Undergraduate degrees offered:** Bachelor. **Fields of study:** College offers a generalized 4-year liberal arts program. **Special programs:** Accelerated program, independent study, out-of-residence study program. **Required freshman courses:** No required courses, however, a student must prove that he has mastered basic writing skills before the end of his first year. **Tests used for counseling, placement, or credit:** Credit will generally be given on basis of

CLEP General and Subject Examinations. Maximum of 2 years of credit by examination may be counted toward degree. **Academic regulations:** College is ungraded and has no objective measure as to what is or is not "good academic standing." Each student receives an individualized evaluation for each activity. **Additional information:** College offers student the opportunity to plan his own curriculum with the advice and assistance of an academic adviser.

ADMISSIONS. **Applications in 1971:** 38 men applied, 21 were accepted; 27 women applied, 14 were accepted. **Admissions requirements:** High school diploma or its equivalent. No tests are required for admission, however, college asks for test results if applicants have already taken admissions tests. Interview required. **Basis for selection:** Each applicant is required to send application form, transcripts, and other documentation of previous educational or creative endeavors. Success at the college is not necessarily predictable from past grades and test scores. The admissions committee makes its decision primarily on the basis of the personal interview. **Application fee:** $10. **Application procedures:** No closing date for applications, applicants notified of decisions soon after personal interview, accepted applicants must reply by June 1. CRDA. **Transfer applicants:** About 30 apply annually, and 20 are accepted. Apply by July 1 for fall term. Grades earned at an accredited college will be accepted for full transfer credit if they meet one of the following requirements: are grades of C or better, are pass grades in a pass-fail system, are credit-granted grades in such a system, or equivalent phrasing. **Additional information:** Because not all students benefit from a pressure-free learning environment, the college seeks those students who are sufficiently motivated, self-reliant, perceptive, and creative to take advantage of this form of individualized program.

STUDENT LIFE. **Freshman class:** 7 men, 5 women. 15% from Virginia, 10% commute, 15% from minority backgrounds. **Programs undergraduates choose:** Liberal arts 100%. **Student activities:** Student government (Town Meeting—all students, faculty, administrators, and board members are eligible to be members), student newspaper. **Additional information:** College does not provide student housing at this time.

ANNUAL EXPENSES. **Tuition and fees:** $590 per quarter; $100 per quarter when on out-of-residence study. **Room and board:** $900 (approximately). **Other expenses:** $450.

FINANCIAL AID. **Aid offered:** Grants. NDSL, EOG, CWSP. 7 accepted freshman applicants were judged to have need, 7 of these were offered aid, 5 were offered the full amounts they were estimated to need. **Basis for selection:** Financial aid decisions are made solely upon financial need. **Application procedures:** No closing date for applications, applicants notified of decisions soon after personal interview, recipients of aid offers must reply by June 1. College form required (will accept PCS or FFS as substitution). **Transfer students:** Transfer students are eligible for all types of financial assistance offered by the college. Previously enrolled students and incoming freshmen have priority.

CURRICULUM. **Undergraduate degrees offered:** Associate. **Fields of study:** Architecture, biological sciences, business and commerce (accounting, business management and administration, industrial management, secretarial studies), computer science and systems analysis (data processing), engineering (chemical engineering, drafting, electrical engineering, industrial and management engineering, mechanical engineering), health and medical professions (nursing–registered), physical sciences, social sciences (police science), trade and vocational (mortuary service). **Special programs:** Developmental program. **Programs for students from minorities or low-income families:** Remedial instruction, reduced course load. **Required freshman courses:** English composition, social studies, mathematics, physical education. **Tests used for counseling, placement, or credit:** Placement, credit, or both will generally be given for grades of 3 and higher in Advanced Placement Examinations. Credit will generally be given on basis of CLEP General and Subject Examinations. CGP to be taken by mid-summer. Maximum of 30 semester hours of credit by examination may be counted toward degree. Strong Vocational Interest Blank, Kuder Preference Record, Nelson-Denny Reading Test, basic arithmetic skills test used for counseling, placement, or credit. **Academic regulations:** If a student fails to maintain a cumulative grade-point average of 1.50, he will be placed on academic probation. 2 such quarters will make him eligible for academic suspension.

ADMISSIONS. **Applications in 1971:** 838 men applied, 838 were accepted; 428 women applied, 428 were accepted. **Admissions requirements:** CGP used for placement. Interview required. **Basis for selection:** After having been admitted to the college as a regular student an applicant will be required to meet with a college counselor to discuss his educational interests, to determine additional tests he may need, and to plan his application for admission to a specific curriculum or program at the college. He must also submit a health certificate. **Application fee:** $5. **Application procedures:** No closing date for applications, applicants notified of decisions within 1 month. **Transfer applicants:** About 291 apply annually, and 291 are accepted. Apply by first day of classes for fall term. Usually, a student transferring from another college who is eligible for readmission at the last college will also be eligible for admission to this college. If a transfer student is ineligible to return to a particular curriculum in a previous college, generally he will not be allowed to enroll in the same curriculum in this college until 2 quarters have elapsed, or until he completes an approved developmental program at this college. The admissions committee of the college will decide on each case and usually will impose special conditions for the admission of such students, including placement on probation.
